S B Rander Group

rising from the roots

At the S B Rander Group, growth is not just about reaching out for the sky. It is also about growing the roots deep and firm in the soil of relationships. S B Rander Group is an enterprise built on the roots of relationships, trust, belief and an unwavering adherence to every commitment made.

Established in 1946, by Late Shri Bhagirathji Rander, the Group started its activities as importers of silk from Bengal. Today S B Rander is a diversified Group with interests spanning across sectors like Textiles, Commodities, Natural Stones, Realty and Infrastructure Development.

Upholding vision & values; enabling growth.

Vision

To be a global conglomerate committed to excellence in customer service in all the operating sectors and making our mark in the local and global markets.

Mission

Deliver world class products and services to our clients with absolute integrity and fairness to achieve their utmost admiration.

*Mr. Shreegopal Rander
(Maheshwary)*

Group Chairman, Mr. Shreegopal has contributed immensely to the Group's growth, since he established its yarn selling operations in the 'Manchester of India', Coimbatore in 1971. Here on, he formulated the road map for the Group's diversification across various growth oriented sectors like commodities, natural stones, etc. A chemical engineer by qualification, his vision has brought the company a long way. Today, he overlooks the Group's policy matters and is associated with various philanthropic organizations.

Mr. Ramesh Rander

The Managing Director of the Group, Mr. Ramesh is spearheading all functions at the Textile and Commodities division at Nagpur. With over 3 decades of rich experience in the business, he is one of the most renowned personalities in the Indian cotton trade. A perfectionist and thorough professional, his initiatives have helped the Group scale up with a highly professional approach towards operations and administration. Having driven the business to the current size and stature, he continues to take personal interest in all quality approvals, purchase and sales.

*Mr. Madhusudan Rander
(Maheshwary)*

A gold medallist chemical engineer from Nagpur, it was a leap of faith for Mr. Madhusudan to enter into natural stones trading. Today, he is driving growth at the Natural Stones division in Chittorgarh, Rajasthan and Katni (M.P.). With his vision of providing quality natural stones to the Indian infrastructure segment, he has helped create a rich and versatile portfolio of marble mining, processing and retailing activities.

Our journey of growth

From its humble beginnings, the Group has grown in size, reach and stature owing to its adherence to relationships and commitments made.

With its well-established cotton trading activity in central India; besides a long standing yarn and marble business in the states of Rajasthan, Tamil Nadu and Maharashtra, the Group today has an overall turnover of around Rs.1500 crores (USD 300 million) per annum.

Today, the Group has its offices spread across strategic locations in India particularly in all the major cotton growing and trading belts. It employs hundreds of professionals spread across the width of India. With investments in cutting-edge new machineries, the production capacity of Sri Bhagirath Textiles has doubled within the past five years. The Group has also diversified into Realty and Infrastructure services.

The S B Rander Group is on the path of high recognition in all the sectors that it operates in and is committed to delivering value to all its customers and associates.

“The sole cotton sourcing agents for various prestigious spinning units in India for over 2 decades now.”

Shrigopal Rameshkumar

Built on commitment and quality

Established in 1992, Shrigopal Rameshkumar is amongst the leading commodities companies in India (also amongst the top few exporters of raw cotton) offering sourcing solutions to various textile units throughout the world. Owing to its strong domestic presence, the company sources best quality cotton at the most competitive prices and operates only through TMC (Technology Mission on Cotton) approved units. With the latest Swiss-make Uster cotton-testing equipments and state-of-the-art conditioning facilities, the

company is committed to offering the best and contamination controlled quality cotton. A team of qualified technicians is assigned at every ginning facility to check all samples manually in order to assure the committed quality.

The company has an expanding global footprint with regular imports from various West African markets and established export relations with markets in China, Europe and Vietnam.

Affiliated to Cotton Association of India, FICCI, FIEO and Texprocil, Shrigopal Rameshkumar is committed to promoting the best practices in cotton supply and trade.

“With its unique combination of machineries, the company has been able to cater to various customer segments.”

Sri Bhagirath Textiles Ltd.

Spinning quality into yarn

Beginning in 1996 with a modest spinning unit at Mohali village in Nagpur, Sri Bhagirath Textiles is today a diversified ISO 9001:2008 company. In the last 5 years, its capacity has been doubled from 12768 to 37728 spindles and 2160 rotors of the latest Schlafhorst make (SE-12) have been added, offering open-end

yarn, 100% polyester yarn, poly viscose yarn and viscose yarn. The comprehensive range of products meets the needs of industries like fabrics, and apparel manufacturing. The warehouse ensures safe storage of raw materials and finished yarns.

SBTL is a Two Star Export House with affiliations across Texprocil, SRTEPC, FIEO, Vidharbha Industries Association and Confederation of Indian Industries. The company is currently exporting to various overseas markets like Morocco, Iran, Brazil, USA, China; and also

enjoys a rich share of domestic markets like Ichalkaranji, Bhilwara, Malegaon, Mumbai, Tirupur and other major textile consuming centres with most of the corporate buyers in its kitty.

“Maheshwary Marbles is a fully integrated natural stones company with capabilities from Quarry to Floor.”

Maheshwary Marbles

An eye for quality stones

Maheshwary Marbles is one of the largest stone quarry operators in the country with operations spanning across 6 provinces of India. Established in 1978, the company has created a name for itself in the mining, processing and retailing of high quality natural stones like granite and marble. The marble slabs processed meet international standards and can easily survive high abrasion, high impact and heavy load applications. Few of the signature Maheshwary Marbles products like Aspur king and Miracle Marble are the interior decorators' visual delight, beautifying the floorings of many.

“Multurban has commissioned 1000 kms of water pipeline in various parts of India.”

Anjaneya Constructions

Building landmarks

The construction industry in India is booming and is poised to play a significant role in India's growing GDP. With an understanding of the opportunities in this sector, Anjaneya Constructions has secured land banks at key locations in and around major cities like Ahmedabad and Nagpur with plans for developing commercial and residential properties at these locations. A premium residential scheme at a prime location in Ahmedabad and a commercial complex in Nagpur have already been launched.

Multiurban Infra Services

Beyond limitations

India is experiencing one of the highest growth rates in the world for over 5 years now. S B Rander Group is committed to participating in this growth by developing the support infrastructure required. In this light, Multiurban Infra Services Pvt. Ltd. was established in 2007. The company specializes in providing urban and rural water distribution solutions by undertaking turnkey projects in this field and has delivered large projects for various prestigious organisations like NTPC, MIDC, etc. So far, the company has commissioned around 1000 kms of potable water pipelines in various parts of India.
